

Soon Enough

a new cliché  
of Woman

interviewing another.  
On facing stools.

Legs: the OPTICS  
for SURE!

Until SHOES--of Hostess,  
black pumps pleading  
overmuch for simplicity.

Guest gal: Medieval-  
ly-strapped entities--

asserting themselves  
past mere event.

And even..in THIS Leap:  
**T-freakin-V *itself!***
